### EXPERIENCES

---

"Connecting Megavolt China" Documentary

Independent documentary tracking the journey of high-voltage transmission line hardware from foundry to installation, showcasing industrial craftsmanship supporting national electrification.

Food Waste Community Impact Project

Collaborated with Grafichaus Intermedia LLP to produce community awareness content addressing Singapore's food waste issues.

"Love By The Bay" Web Series

Joined local international student organization's drama team, as a cinematographer collaborating with 20+ members to produce 8 episodes totaling 34 minutes.
